

# Assigned Student Parking Permit

**\*By Lottery Only**

The Assigned Student Parking Permit is only offered to the lucky seniors whose names were drawn in the LHS Parking Lottery.

If you are one of the lucky seniors drawn in the lottery and choose this option, you will have a numbered parking space assigned to you. This space will be reserved for you each day as you arrive to school up until 10:30 am. After 10:30 am, if you have not parked in your assigned space or left the space, for any reason, your assigned space will be open for use by anyone with an Assigned or General Parking Permit.

After 10:30 am, all spaces reserved for students, including the church lot, will be open to any student with a valid, LHS Student Parking Permit.

**Assigned Student Parking Permit:  
\$110.00 per year**
