

2024 Palisades Neighborhood Association Community Survey Results

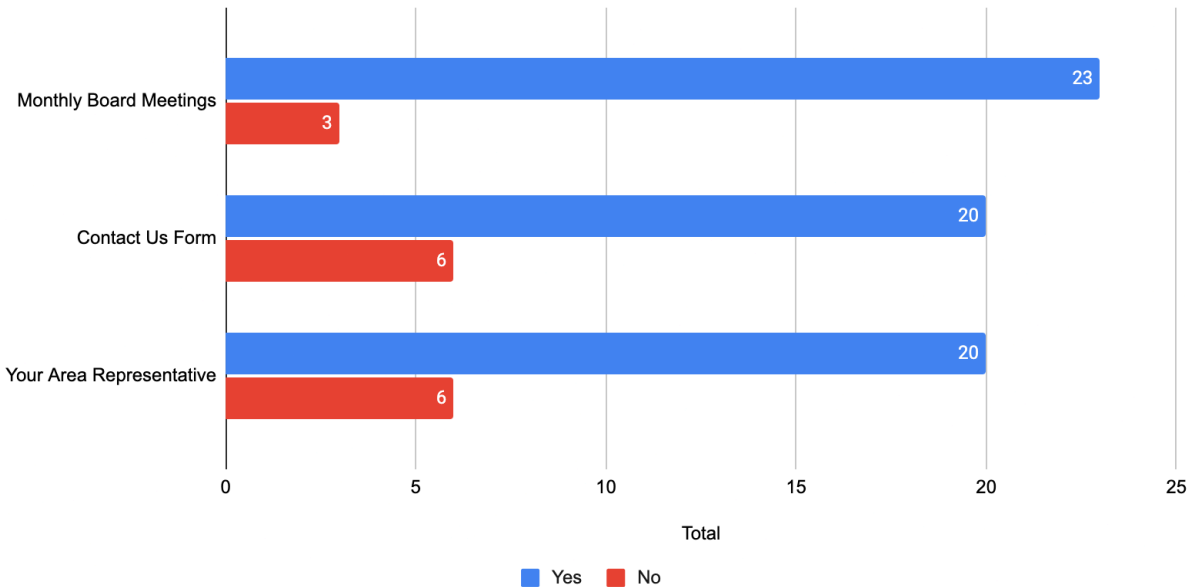

The following report summarizes all of the responses received during the annual community survey.

Is there anything the PNA can improve upon for Zoom meetings?

- Thank you for your service to the neighborhood.
- In order to be respectful of the time of our great volunteers, we should be clear that there is a specific time for community comments and those comments should be limited to no more than 3 minutes. From there, the board is not obligated to take any action based on community comments.
- One other suggestion (from Robert's Rules of Order) is the apply unanimous or general consent for votes that don't really require formal voting. The chairperson can gauge the temperature of the room and decide to move to approve barring any objections. It isn't like we do a lot of voting but it can provide a sense of efficiency during the meeting.
- Have 2 microphones and two members holding them. Explain zoom need so members understand they must always use mic Try to keep meetings shorter so members don't leave. Maybe no intermission.
- I appreciate that you do them and the work put in to make it happen.
- have only attended once due to busy schedule

Did you know you can share your ideas and solutions through neighborhood meetings (posted on our website), Contact Us form (via our website) and/or your neighborhood representative (list is on our website)?

- Family focused social gatherings
- Outdoor get togethers for smaller groups (2 or 3 blocks worth)
- Street party
- Happy Hour at the McVey Pizza Parlor or something?
- Block party
- I don't know.

What do you love most about our neighborhood?

- The character and quality of the neighborhood, friendly people and access to infrastructure.
- The people.
- Easy... the people. We came here hoping to feel part of a true community of like-minded and compassionate folks and we've certainly found it.
- The natural beauty and proximity to walking trails. And of course the people!
- So much! Friendly neighbors, peaceful & quiet, well-established trees and landscape, safe, nearby parks, close to shops & services.
- The people
- Walking, access to open spaces, especially Luscher Farm, trees and landscaping, close to neighborhood grocery stores and restaurants
- Family oriented
- parks
- The peace and quiet
- Beautiful trees, larger parcels, proximity to Luscher Farms, Lakeridge High tennis courts, and Cooke's Butte Park.
- The people and tree/park like setting, walkability, nearby forests
- Friendly quiet and not much disagreement
- Quiet, safe, beautiful
- The way people care about their homes and the town, and the safety I feel here. It is very lovely place to live.
- Calm, bucolic
- EVERYTHING!!! Wide streets, trees, kind people, mid-century architecture
- Walkable.
- Livability and the green palettes of the neighborhoods.

Do you have any additional comments that would help support the livability of our neighborhood?

- stopping developers; synonymous with saving trees
- Sidewalks, slower drivers (speed bumps, speed traps, etc), more community events.
- You are doing a great job!
- improved parking conditions around Lakeridge
- Safe pathways on streets for walkers and bikes
- Address Lakeridge neighborhood parking issues, increase Lakeridge campus parking capacity. Improve traffic safety enforcement; speeding and posted parking restrictions
- Please look into whether private pickleball courts in backyards are allowed. One is being constructed near me, and my neighbors are very concerned that it might be permitted.
- I loathe all the development by Renaissance Homes when they tear down trees and houses and put up four-story monstrosities
- Speed bumps on Fernwood. Dangerous for pedestrians.
- I am concerned about the speed of traffic on South Shore. I am also concerned about security if the lake becomes public.
